Many volunteers helped with invitation stuffing and mailing, spring cleaning (both inside and out), weeding flowers, painting, set up rental tables and chairs, move sanctuary chairs to fellowship hall, decorating, pick up cake from bakery, photographer/ videographer, greeters, name tags, make coffee, greet dinner guests, take down tables and chairs and set up sanctuary following program, and clean up after dinner. Several people overlapped and volunteered on more than one committee to “get the job done.” Our sincere thanks to our many wonderful volunteers:
