Cutting-edge interpretations and superb ensemble singing are trademarks of From Age to Age. Founded in 2007, they were invited to perform at the 2011 ICDA Summer Symposium. They were highlighted as a “Regional Spotlight” group on Minnesota Public Radio in 2010 and featured on the Classical Minnesota Public Radio Holiday CD “A Taste of the Holidays,” a joint collaboration with the nationally syndicated show “The Splendid Table.”

Members of **From Age to Age** come from all areas of Minnesota and North Dakota, brought together with a common passion for performing top-quality a cappella music. They strive to share their talents in under-served areas and through educational outreach programs. In all its performances, **From Age to Age** presents historically and culturally rich, artistic, and educational programming to every community it serves.

Andrew Miller, artistic director and founder of **From Age to Age**, is an accomplished choral conductor, published composer, vocalist, and educator. Miller holds a degree in vocal music education from Bemidji State University, and a master’s in choral conducting from Minnesota State University, Mankato. He currently serves as Director of Choral Activities at Bismarck State College.
